WEF LABORATORY ANALYST EXCELLENCE AWARD

Nomination Form

To be considered for the WEF Laboratory Analyst Excellence Award, please answer the questions listed below. Send all responses and supporting documentation to info@awea-ar.org

The Laboratory Analyst Excellence Award is presented to an individual for outstanding performance, professionalism, and contributions to the water quality analysis profession. The award was established by the WEF Board of Control in 1993. The award consists of a plaque suitably inscribed with the recipient's name and is presented by a Federation representative at the Member Association annual meeting. This award is given to an individual.

Criteria:

1. Member of the Water Environment Federation.
2. Candidates must be employed at an educational facility laboratory, industrial, commercial, or municipal laboratory which performs wastewater-related analysis, and must have direct analytical responsibilities.
3. Candidates are eligible for this award only once.
4. Qualifying criteria may include:
   a. Membership and involvement in professional associations. Examples: Water Environment Federation Committees, Standard Methods Joint Task Groups, MA committees and conferences and conference activities.
   b. Outstanding efforts in the area of wastewater and environmental aquatic analyses, including such items as innovative sampling techniques or solutions to a treatment, analytical or environmental problem.
   c. Involvement in community activities or public relations.
   d. Presentations at professional conferences, meetings, etc. relevant to water quality analysis.
   e. Professional certifications.
   f. Continuing education.
   g. Contributions that have been beneficial to the nominees facility.
   h. Unusual initiative or performance "beyond the call of duty".
